## TRI-TOWNSHIP PARK DISTRICT

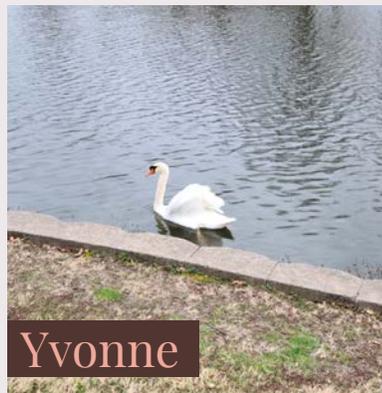

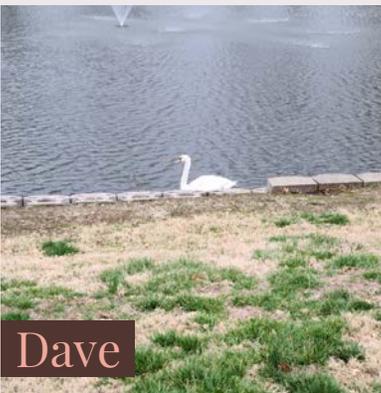

### MEET OUR STAFF - JIM

Jim has been working at the park district for just under 10 years, and is currently the Maintenance Supervisor. Out of all of the places in the park, he most enjoys the flower beds and landscaping when everything is in bloom. On the weekends you can find him spending time at his log cabin where he enjoys turkey and deer hunting.

### MEET OUR SWANS - YVONNE & DAVE

We once again are lucky enough to have two white swans swimming around!  
The male swan is our newest addition, donated in memory of Dave Reiger.

There is no admission fee for attendees, and vendors can sign up at [tritownshippark.org](http://tritownshippark.org). We will have yard sale finds and all the spring crafts your heart could desire!

## WALKING TRAIL PROJECTS

**Asphalt:** Several areas, including by the gazebo, are going to be asphalted as we work towards paving all of the walking paths in the park.

**Madison County Transit Trails:** Soon they will begin work on extending a bike trail that will connect through the park. It will enter the park on the south side at Springvalley Rd, continue straight north, and then turn east at the north end of the park (along ballfields 3 & 4), following our current trail.

This extension will be plenty wide for walkers, cyclists, and runners alike!
